

**PAPERIO****From form to complete record. Every step under control.**

Tracking for physical documents and for what still has no system. Less paper, with a process and a record.

What it solves

- | | |
|--|--|
| 01 Tracking for a physical document, with a process attached. | 04 Procedures, forms, records and indicators. |
| 02 The documents that still have no system. | 05 Code and version for an ISO management system. |
| 03 Built to reduce or eliminate paper. | 06 A record with stage, owner and history. |
